About Our Program at DSDW

Our summer program features a rigorous and fun schedule of classes in classical ballet technique, pointe, jazz, modern/contemporary, hip-hop, and tap from various professional teachers. We, at the Debra Spark Dance Works, believe in training well rounded dancers with a strong classical core. Dancers will also be exposed to french vocabulary/dance terminology and dance history.

This program will strengthen not only technique but will also increase flexibility, centered control, stamina and offer opportunities in choreography and performance. Our camp is the perfect place to nurture your goals and dreams, producing a stronger dedication and love of the art of dance.

DRESS CODE: Any color leotard and pink tights. Dancers may wear a skirt if they choose. Hair must be in a tight, secure bun.

STUDIO ETIQUETTE: Please be on time for all classes. Dancers who arrive more than 15 minutes late will have to sit out of class.

LUNCH: Dancers will have a half hour lunch break everyday. Please bring a lunch with you, since there will not be time to leave.

NOTEBOOKS: Dancers should bring a notebook and pen with them each day for vocabulary lessons and to take notes after each class. This will aid their progress and help them to apply corrections.

SESSIONS: Dancers should enroll in their age appropriate session. Each session will be equally as advanced. This will break the group into smaller sessions, so students will receive more intimate instruction from teachers.

Dancers can "drop in" the session they will not be enrolling in for ballet technique class for the hourly rates. Ballet Technique will be offered in all sessions from 10-11:30 AM.
